Living a new life in Christ

From the desk of Dereck...

You may not be able to stop

Your car has 46,885,247 parts that can break and need to be replaced. (Well, not really, but it feels like that sometimes, doesn't it?) So, it is relatively easy to tell the mechanic, "No, I don't want to do that suggested maintenance." But most of the suggested maintenance is designed to keep your car running longer and, more importantly, keep you safe.

What if your mechanic kept telling you at every service call, "Your brake pads are metal on metal and your brake fluid is nearly empty," but you kept saying, "It's ok. The car still stops"? What would eventually happen? You know. At some point, your car will not stop.

The Christian life is not unlike that. The Lord wants us to do regular maintenance on our faith (**2 Pet. 1:5-11**), on our Christian works (**Tit. 2:14; 3:8, 14**), and on our relationships (**Rom. 12:10-21**). What would eventually happen with our Christian Walk without regular maintenance (cleaning, growing, strengthening, doing, etc.)? It would stop! Let's follow our Maker's suggested maintenance in His user's manual!

I pray that as we walk together, may the Lord bless us as we grow as a highly tuned motor being taken care of for optimal performance.

Have an amazing week.

Love in Christ

Dereck
